Education for the Real World is Our Business

Vision Statement: *Education For The Real World Is Our Business: Empowering all Students to be College and Career Ready.*

Academic Goal

By the close of the 2022 academic year, the student group “All Students” will meet or exceed ESSA long-term goals (percentage proficient) in tested areas. Scores from 2015-2016 will serve as a baseline for benchmark progress. [Chart](#)

Strategy

1 Establish and implement TBT Communities of Practice through the OIP Process, Focusing on Step 3.

2. Implement and monitor the SWCSD Framework for Learning across grade levels and content areas.

3. Implement systematic assessment to identify students who are not making adequate progress, offer targeted support for those students, and monitor the success of interventions.

Culture and Climate Goal:

By 2022, all stakeholders will engage as learners in an environment of belonging and purpose resulting in a decrease of chronic absenteeism by 2.4% each year. [See Chart](#)

Strategy

4. Develop and implement an intervention structure to reduce student absenteeism.
